

Thank You for Corralling Cancer in Our Community

Thanks to our sponsors, contributors, entertainers, committee, volunteers, and everyone who joined in “Sturr”ing It Up Against Cancer at the Grant Gore Ranch, the Alliance Healthcare Foundation raised more than \$50,000 to benefit the upcoming \$25 million Alliance Cancer Center.

Guests enjoyed lip-smacking barbecue under gorgeous skies as world-famous entertainers Jimmy Sturr and the Calhoun Brothers arrived by custom coach and their private jet to perform in front of cheering crowds. Auction items included an autographed guitar from Willie Nelson, custom glass and granite, wonderful getaways and fabulous artwork.

Special thanks to the following:
